**RE: ESP International REACH Regulation Compliance Statement**

To Whom It May Concern:

ESP International continuously strives to provide safe, reliable, high quality products to our customers. We have reviewed Regulation (EC) No 1907/2006 and the Substances of Very High Concern (SVHC) updated June 2024. To the best of ESP International's knowledge and from the information provided to us from our extended supply chain, we declare that all homogenous material contained within the parts and components ESP provides to our customers are in full compliance with the Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH). No homogenous material contained within supplied products contains restricted substances above the permitted level by weight in any homogenous material in any products. This is inclusive of the recent update to SVHC candidate list issued June 2024.

Since conditions of use are outside ESP International's control, ESP International makes no warranties, expressed or implied, and assumes no liability related to any use of this information.

The conformity of special articles, products made of special compounds and customer-specific produced goods can be checked in individual cases and is not confirmed by this declaration.

Sincerely,

Ryan Hamilton
