Subject: Assurance Regarding Conflict Minerals

Dear Customer,

At Engineered Seal Products, we deeply value the trust and confidence you place in our products and services. We understand the importance of ethical and responsible manufacturing practices, especially concerning the sourcing of materials, including minerals.

We are writing to provide you with assurance that none of the products you have purchased from Engineered Seal Products contain conflict minerals. We are committed to upholding ethical standards and ensuring that our supply chain is free from minerals sourced from conflict regions.

Should you have any further questions or require additional information regarding your conflict mineral statement or any other matter, please do not hesitate to contact us.

Thank you,

Zach McCauley
